MANIPUR PUBLIC SERVICE COMMISSION

NOTIFICATION
Imphal, the 25th January, 2019

NO. 7/10/2018-MPSC (DR): Reference is invited to Advt. No. 2 of 2019 dated 22.01.2019 relating to the recruitment of Section Officers in various Engineering Department and MSPCL. Under the Scheme of Examination it is mentioned that candidates will not be permitted to use Calculators. Feedback and consultations with experts reveal that questions allowing candidates the use of calculators would better test the knowledge of the candidates. In view of this, the Commission has approached the Government to amend the Manipur Combined Competitive Examination for Direct Recruitment of Section Officer (Grade-I & II) (Engineering Department) Rules, 2014 to allow the use of battery operated pocket calculators for answering the Conventional (essay) type papers only. The amendment is expected to come before the exams are held. So candidates are advised to also prepare for questions which require the use of calculators.
